FOR IMMEDIATE RELEASE:

FHLBanks Will Not Issue a Global on September 22

Today, the FHLBank System is announcing that no Global will be issued or reopened on the September 22 calendar date.

The next Global opportunity for the FHLBanks is October 13, 2026, per the Global calendar that is published and available on the Office of Finance [website](#). On these predetermined dates, the FHLBanks have the option of issuing a new Global, reopening an existing Global, or deferring until the next scheduled opportunity.

This announcement is neither an offer to sell, nor a solicitation of offers to buy, these securities.

Created by Congress in 1932, the FHLBanks have served as a vital source of liquidity to their members throughout the economic cycles, supporting housing finance and community development across the United States.
